# Dunleith Community Garden CSA Subscription

**Dunleith Community Garden:** The Dunleith Community Garden is located at 799 Chestnut St. Greensboro, NC. Urban Harvest maintains most of the garden space for Community Supported Agriculture (CSA) subscriptions.

**CSA:** Urban Harvest is offering a Spring subscription to a Community Supported Agriculture "share." A share is approximately a bushel of produce each week. Half-share options are also available. (For an idea of share sizes, see our website for photos of Dawn and Justin making CSA boxes.) The 10-week Spring CSA will begin April 1, and end June 1, 2010. We will offer a Summer and Fall CSA as well.

**Method of receipt:** You may opt for CSA delivery or pick-up from the garden, both on Tuesdays from 4:30 to 6:00pm. Pick-up at the garden= free

Aycock Delivery = \$3/week or \$30 total                      Non-Aycock Delivery = \$6/week or \$60 total

**Crate deposit:** You will receive your weekly produce in our hand-made crates. Each week you will exchange your empty crate for a full one. A deposit of \$40 is required at the beginning of your subscription, to be returned if both crates are returned at the end of the subscription (see our website for photos of Dawn and Justin making CSA boxes).

**CSA cost:**    \$20 per full share = \$200                      \$12 per half share = \$120

**Workshops:** Throughout the year, Urban Harvest will provide workshops about growing, harvesting, preparing and storing food. If you have a request for a workshop, or would like to lead a workshop, we welcome your comments. We also welcome volunteers or volunteer groups at the garden. Please send us an email if you are interested in volunteering.
